## CONTRACTUAL

### *Terms and Conditions*

1. Customer has inspected the equipment and deemed it clean, in good condition, and appropriate for his (her) needs.
2. Customer will not alter or make attachments to the equipment.
3. Customer will immediately notify Black Tie Event Services and discontinue use of the equipment if it becomes unsafe or in disrepair.
4. Customer chooses the site for installing the equipment and accepts all responsibility in connection with that choice of location. Customer quote is based on: easy access to site, firm and level ground, and a dry location. In addition, trailers are inoperable at extreme inclines and may deem a location unacceptable or subject to additional charges.
5. Without the prior written consent of Black Tie Event Services, the customer will not assign this Agreement or any rights or obligations hereunder and will not transfer possession or control of the equipment.
6. The average setup time is two hours. If through no fault of the driver, (i.e. the site is not ready, personnel are not available to accept delivery, etc.) the setup takes longer than the average 2 hours, the charge will be \$50 per hour for each additional hour. Any site changes after delivery begins will be charged accordingly.
7. Lessee is responsible for cost of replacement and repairs due to fire, theft, carelessness, accidental damage, vandalism or riot and agrees to return rental equipment to BLACK TIE EVENT SERVICES in delivered condition, ordinary use and wear excepted.
8. Black Tie Event Services reserves the right to make equipment substitutions of equal or better quality. Black Tie Event Services may subcontract some or all of its services when necessary.
9. Price quoted is based on open access to all specified sanitary facility locations for placement, pumping, and removal. Failure to provide access will void guarantee of placement, pumping, or removal as per schedule.
10. If the customer fails to make any payment or fails to perform any obligation due hereunder, Black Tie Event Services may pursue all remedies available by law or in equity, including termination of this Agreement without notice, repossession of the equipment without legal process, and recovery of all sums due hereunder. Such remedies shall be cumulative. Customer shall pay Black Tie Event Services all costs of recovery of payment.
11. Black Tie is not to be held liable for the performance of the trailer with temperatures at or below freezing, or any conditions or climates beyond their control, including Work Strikes or shortage of materials.
12. **PAYMENT TERMS: 50% due 30days prior to delivery. Balance due NET 10 days after the event date ends on the contract. Customer Responsibility**
